

Team Building Solution™

1

The Urgency Factor: Whether you're focusing on a single search project or multiple positions we commit to exceeding expectations.

2

The Goal Identifier: The Relationship Manager & Recruiting Team consult with the Client to identify & assess goals to create a job description & script.

3

The Research Navigator: The On-site Research Department joins the Recruiting Team to assign the searches to provide optimum results.

4

The Qualification Assessment: The Recruiting Team identifies candidates & interviews them for the skills & qualifications needed for the position.

5

Rescreening Qualifier: Qualified candidates are presented to the Recruiting Director who re-screens & profiles them for presentation.

9

The Follow-Up Commitment: We commit to touch points every week for the first month, once per month for 90 days, & then a check-up every 90 days after.

8

The Team Search Solution: The Recruiting Director completes offer & reference checks, providing the Client with a proficient process.

7

Primary Wealth Management Group Elite Advantage: Personalized online access to candidate information & status reports with weekly updates.

6

The Interview Coordinator: Recruiting Director communicates with the Client to coordinate the interview process.
